Sista

You're invited!

I was one of the lucky ones who attended Cathy and Trish's wedding which was held on November 1st at the romantic setting of their favourite site, Moonee Beach. Cathy, a long time member of Feathers and a former Secretary, met Trish at a Feathers dance. Family and friends gathered to celebrate and wish the newlyweds many happy years together. Jan

PRESIDENT'S REPORT

Our long awaited return to Nerang has happened but not without a snag. The room was not quite finished with the walls still needing the final coat of paint, plus the air condition decided not to work for the evening. I would like to thank you all for still making the evening a great night in Feathers history. DJ Disco Sista had the dance floor hopping and the big screen added extra to the atmosphere.

The social events are still being well supported with the boat cruise being our latest highlight. The guests soon became relaxed, plus great food and perfect weather all combined for requests for another cruise in the future. Jan
