## PRESIDENT'S REPORT

A happy lot of women were at our temporary venue for the February dance. The room was private and the management and the bar staff were very friendly and helpful. DJ LX provided us with great music for the evening. I would like to thank our Feathers clientele for their patience and support during this time of relocation until the renovations at the Nerang RSL are finished. The Committee after a hard search believes the Kirra Sports Club will be a good venue with privacy, large dance floor and comfort for our attending members and guests.

For the northerners, we are sorry for the extra travel distance, but compared to what else was available there was no comparison. We hope you will all enjoy the coming year with Feathers.

Cheers  
Jan
